Re: In the Matter of The Pay Telephone Reclassification and Compensation  
Provisions of the Telecommunications Act of 1996, CC Docket 96-128

Dear Ms. Dortch:

Waverly Hall Telephone, LLC., submits this letter and accompanying certification as record that Waverly Hall Telephone, LLC., is not a "Completing Carrier" as that term is defined in the Commission's Order in CC Docket 96-128 ("Order")<sup>1</sup>, released on October 3, 2003.

As Waverly Hall Telephone, LLC., is not a Completing Carrier nor does it handle the types of calls the Commission has specified as being subject to both compensation and reporting to Payphone Service Providers, Waverly Hall Telephone, LLC., is not subject to such requirements at this time. If Waverly Hall Telephone's operations are altered to the extent that Waverly Hall Telephone necessarily becomes a Completing Carrier, Waverly Hall Telephone, LLC. will fully comply with the Commission's rules pertaining to this and all other payphone compensation and reporting matters.

Sincerely,

Robert L. Jones  
Vice President
